Eurasian Natural Resources Corporation PLC

ENRC donates US\$1 million to Japan for earthquake relief.

Eurasian Natural Resources Corporation PLC ('ENRC') today announces the donation of US\$1 million to assist with the relief efforts following the earthquake and tsunami which struck Japan on 11 March 2011. ENRC's donation is directly contributed to three severely affected steel-producing cities: Sendai, Kashima and Kamaishi.

Felix Vulis, CEO of ENRC, commented: "Having observed the devastation caused by the recent events in Japan, we felt compelled to show our solidarity with the country and its people. We hope that our donation can help with the rebuilding efforts in the months ahead. We are proud to have close relationships with our customers in Japan, and our thoughts are with their people and families at this time."

About ENRC

ENRC is a leading diversified natural resources group, performing integrated mining, processing, energy, logistics and marketing operations. The operations of the Group comprise: the mining and processing of chrome, manganese and iron ore; the smelting of ferroalloys; the production of iron ore pellets; the mining and processing of bauxite for the extraction of alumina and the production of aluminium; coal extraction and electricity generation; the transportation and sales of the Group's products; and, the production of copper and cobalt. ENRC's production assets are largely located in the Republic of Kazakhstan; other assets, notably the Other Non-ferrous Division, are mainly located in Africa. In 2010, the Group accounted for approximately 3% of Kazakhstan's GDP. The Group currently sells the majority of its products to Russia, China, Japan, Western Europe and the United States. The Group's entities in 2010 employed over 70,000 people. For the year ended 31 December 2010, the Group had revenue of US\$6,605 million (2009: US\$3,831 million) and profit attributable to equity shareholders of US\$2,185 million (2009: US\$1,045 million). ENRC has six key Divisions: Ferroalloys, Iron Ore, Alumina and Aluminium, Other Non-ferrous, Energy and Logistics. ENRC is a UK company with its registered office in London. ENRC's shares are quoted on the London Stock Exchange ('LSE') and the Kazakhstan Stock Exchange ('KASE').
