Eurasian Natural Resources Corporation PLC

Confirmation of 2007 Preliminary Results Announcement Date

London - Eurasian Natural Resources Corporation PLC ('ENRC' or, together with its subsidiaries, 'the Group'), a leading diversified and fully integrated Kazakhstan metals and mining company, is pleased to confirm that it will announce its 2007 Preliminary Results on Wednesday, 9 April 2008, and will hold a briefing for investors and analysts on that date.

These results will be the first by the Group as a public company, following on from its successful initial public offering in December 2007.

About ENRC

Eurasian Natural Resources Corporation PLC is a leading diversified natural resources group with integrated mining, processing, energy, logistical, and marketing operations. It is the world's largest producer of ferrochrome, based on chrome content, the world's sixth largest iron ore exporter by volume and world's fifth largest supplier of traded alumina by volume. For further information please see the Group's website at www.enrc.com.

Forward looking statements

This document includes forward-looking statements that reflect the current views of the management of the Group with respect to future events. These forward-looking statements include matters that are not historical facts or are statements regarding the Group's intentions, beliefs or current expectations concerning, among other things, the Group's results of operations, financial condition, liquidity, prospects, growth, strategies, and the industries in which the Group operates. Forward-looking statements are based on current plans, estimates and projections, and therefore too much reliance should not be placed upon them. Such statements are subject to risks and uncertainties, most of which are difficult to predict and generally beyond the Group's control. The Group cautions you that forward-looking statements are not guarantees of future performance and that if these or other risks and uncertainties materialise, or if the assumptions underlying any of these statements prove incorrect, the Group's actual results of operations, financial condition and liquidity and the development of the industry in which the Group operates may materially differ from those made in, or suggested by, the forward-looking statements contained in this document. In addition, even if the Group's results of operations, financial condition and liquidity and the development of the industry in which the Group operates are consistent with the forward-looking statements contained in this document, those results or developments may not be indicative of results or developments in future periods. The Group does not undertake any obligation to review or confirm analysts' expectations or estimates or to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise after the date of this document.
